Application questions for new families:

To better get a sense of how we might best serve your needs (and those of your child), we ask that you and your child respond to the following questions. Please attach another sheet if you need more space. Thanks!

For parents:

- 1) Why would you like your child to participate in Crow's Path?

- 2) What do you hope your child will gain from this experience?

- 3) What experience does your child have outdoors?

- 4) In what learning environment does your child do best (one-one-one, group games, etc)?

For participating children:

- 1) Do you have any experience backpacking, canoeing, and/or camping?

- 2) What types of activities that Crow's Path offers are you excited to learn?

- 3) How are your backcountry cooking skills? Any favorite meals?

- 4) Is there anything else you would like to tell us?
