Application questions for apprentices:

To better get a sense of how we might best serve your needs (and those of your child), we ask that you and your child respond to the following questions. Please attach another sheet if you need more space. Thanks!

1) What skills do you have that you would be excited to share with younger kids?

2) Do you have any experience teaching or leading activities?

3) What skills are you excited to learn this summer?

4) What do you think leadership is?
